

Heaven

Goin' up to heaven
stay away, stay away
my wings take me away
stay away, stay away
my sins are judged upon me
stay away, stay away
they said i couldn't stay
only for the day

fallin' down to hell, boy
stay away, stay away
my wings were took from me
stay away, stay away
dancin' with the devil
stay away, stay away
they said i couldn't stay
only for the day

satan's throne is burning
stay away, stay away
the flames engulfing me
stay away, stay away
i look back up to heaven
stay away, stay away
they said i couldn't stay
only for the day
