

# STEWHOGG

we all worked the stem  
collar shoulder style eatin with our friends  
by the time say our prayers  
the dinner tables bare

so we stole a lump of food  
beanmaster cooks up the stew  
and there plenty a bound  
till stchwogg comes around

STEWHOGG QUIT STARING AT MY PLATE  
STEWHOGG YOU KNOW YER NEVER LATE  
STEWHOGG YER ALWAYS FIRST IN LINE  
STEWHOGG STEWHOGG DONT YOIU KNOW YER THE FIRST TO GET LEFT  
BEHIND  
starve and die  
starve and die  
we're gonna starve and die

well i had a stash of viddle  
not enough to share you know i only had a little  
i guess i left the room too long  
cuz stchwogg came along

so i portioned out a plate  
went down to the river to wash my hands and face  
as im coming back round the bend  
Stchwogg strikes again
