

Smoke Satan, Worship Crack

By: Mike Dehlin, Courtney Kostrick, Uriah Baker

well i walk thru the gutter
with the devil on my back
this wanderlust is blinding me
I'm smoking Satan
and i worship crack

well i wait in the darkness
for somebody to attack
this anger it is killin' me
I'm smoking Satan
and i worship crack

kick down the doors
lay on the floor
empty your pockets
we know you scored

well i walk thru the gutter
with the devil on my back
this wanderlust is blinding me
I'm smoking Satan
and i worship crack
